GRAND
BELI PARK
STEP TO FUTURE

**Grand Beli Park is going to be a landmark of Betma-Indore.
This township being developed with imaginative advanced engineering
and landscape designing, introducing a redefined urban living style.**

GRAND ENTRANCE

ENTER THE FUTURE

"Whatever the errand, ensure a grand entrance."
We kept to the code. Our entrance is intended to show grandeur.
You'll discover an unparalleled feeling of belonging and solace .

SITTING AREA

"A perfect Place for You and Your Family"

We know you work all day and needs a good place to chill and relax. So we provide you with the right sitting that is in open to sky air.

SOLAR SYSTEM

"Green & Clean Energy for Street Lights"

Solar street lights are a practical and convenient solution to replace old public lighting, and they are the future of public lighting. Solar street lights reduce the amount of carbon emissions in the environment.

GAZEBO

"chill Out With A Open Hide Out "

We also have this beautiful place for you and your family to chill a gazebo wooden textured and glazed in the middle of green space.

PARTY LAWN

"Get-Set-Party"

We have garden dedicated to parties and space to celebrate your achievements and a place to spread joy.

HERBAL AND MEDICINAL GARDENS

“EVERY BREATHE BETWEEN YOU AND THE PLANTS”

Planting an herb garden is a wonderful way to enjoy sights, smells and tastes of a wide variety of plants. Herbs have many values but a few of the most common uses include aroma therapy, medicinal, as seasonings and flavourings in foods and beverages, and in salads. Many herbs are chock full of cancer-fighting antioxidants, valuable nutrients, When looking for a healthy remedy to help your senior stay engaged, active and healthy, a small herb garden can be just what the doctor ordered in more ways than one!

KIDS PLAY AREA

“Open up Possibilities”

No matter how big or comfortable we design a kids room, the child always need a place that has some running, some climbing, some swinging, and some sliding facilities. So here we provide the kids play area.

SPLASH POOL

“Cool off with some water play”

Summer is the perfect time for a splash! So we plan to include water play in the township. This is a great activity to indulge in, as it helps to strengthen the child's body balance, muscle strength and coordination.

BASKETBALL COURT

"THE HOME IS YOUR PLAYGROUND"

Life is fully loaded with activities 24 hours a day. After a hectic day at work everyone needs to unwind, recreate and refresh your senses in your own preferred way, you can take your pick and enjoy an exhilarating game of basketball. The Center Court provides hoops action all year round. A perfect sport for growing teenagers, who can learn and develop basketball skills in safe and beautiful ambience. They can go out and shoot baskets by themselves or get involved in competition games with neighbours, family and friends.

MULTIPURPOSE GRASS LAWN

"THE ULTIMATE SOLUTION FOR YOUR FAMILY"

It is just as easy to lay a court surface that works brilliantly for tennis, and for hockey, netball, basketball, football and family social events. Whether they're actively playing sports, socializing with friends or taking part in some other related activities, public courts within the community serve as excellent ways for youth in the neighbourhood to build important life experiences and lessons. The sport outlet helps teach themes like fair play, winning and losing with grace, teamwork and others. In addition, many kids find a sense of belonging or community through sports or groups they latch onto in these locations.

GARDEN OF FIVE SENSES

"LET'S TROUGH THE SENSES FIVE, LIGHT UP OUR LIFE"

One of the eye-catching features is that the park is being built on the themes which are Mughal Gardens, pools of water lilies, bamboo courts, herb gardens and solar energy park. The beauty of the garden is completely breath-taking and refreshing. The garden is divided into certain sections, on one side of the spiral shaped paved walkway is the formal garden called as Khas Bagh, which has been designed on the lines of the Mughal Garden.

The extremely positive aura and worth a million ambience is the right place for anyone trying to reveal own self.

REFLEXOLOGY PARK

"Stress out Naturally"

Our lifestyle has become Stressed, leaving us with a limited or no spare time. So we have this path that provides massage of the feet which According to Vedic science happens to release stress and tension of body through feet by just walking. So, here is a built-in path that is reflexology path to deal this stress.
